Keynote Speaker: LINDSAY BIRLEY
EXECUTIVE VICE PRESIDENT - DHL EXPRESS USA

Lindsay Birley is Executive Vice President of International Products and Services for DHL, responsible for the growth and profitability of DHL's international products as well as the development of new international products to meet the needs of DHL Express customers in the United States.

Birley is a seasoned international sales and marketing executive with 22 years of express transportation industry experience with DHL. Prior to assuming his role with DHL in the United States, Birley served as Sales Director for DHL Asia Pacific, based in Singapore, where he was responsible for managing and developing a portfolio of multi-national customers throughout the region.
